APPLICANT'S MAILING ADDRESS:

TYPE OF FACILITY:

The applicant is in the process of completing an application for a permit for a solid waste management facility to be issued by the Virginia Department of Environmental Quality. In accordance with §10.1-1408.1 and §10.1-1411, Code of Virginia (1950), as amended, before such a permit application can be considered complete, the applicant has to obtain certification from the governing body of the county, city, or town in which the facility is to be located that the location and the operation of the proposed facility and/or its proposed expansion is: either consistent with the regional solid waste management plan (SWMP) or has initiated the process of amending the SWMP to include the new or expanded facility; and is in accordance with all the local ordinances. For a permit by rule (PBR) application; in accordance with §10.1-1408.1.Q, the SWMP must be consistent with the application and approved by the Virginia Department of Environmental Quality (DEQ). The undersigned requests that an authorized representative of the local governing body sign the certification below.
